11. General provisions and governing law

1. Definitions and interpretation

1.1 In this Agreement, the following terms have the meanings given below. 'Services' means the cloud-based retail analytics platform, associated support and any professional services described in Schedule 1. 'Customer Data' means all data submitted to the Services by or on behalf of the Customer. 'Fees' means the amounts payable by the Customer under clause 3.

1.2 'Business Day' means a day other than a Saturday, Sunday or public holiday in England. 'Initial Term' has the meaning given in clause 5.1. 'Confidential Information' means information disclosed by one party to the other that is marked confidential or would reasonably be considered confidential.

1.3 'Service Credit' means a percentage reduction of the monthly share of the annual subscription fee, calculated under clause 4.3. 'Affected Month' means a calendar month in which the Provider fails to meet the availability commitment.

1.4 References to clauses and Schedules are to the clauses of and Schedules to this Agreement. Headings are for convenience only and do not affect interpretation. In the event of conflict, the clauses of this Agreement prevail over the Schedules.

1.5 The Provider's contract manager is Rebecca Ashworth. The Customer's contract owner is Tobias Kline. Each party may replace its representative by written notice to the other.

2. The Services

2.1 The Provider shall provide the Services to the Customer from the Effective Date in accordance with this Agreement and Schedule 1, using reasonable skill and care and suitably qualified personnel.

2.2 The Services include access for up to 400 named users, standard integrations with the Customer's point-of-sale and warehouse systems, and monthly product updates. The Customer may purchase additional users in blocks of 50.

2.3 Implementation shall be carried out in three phases: discovery, configuration, and data migration. The Provider shall complete implementation within 20 weeks of the Effective Date. Delays caused by the Customer's failure to supply data or access extend this period day for day.

2.4 Additional services outside Schedule 1, such as custom reports or extra training days, shall be agreed in a written change request. The Provider shall not begin chargeable work before the Customer has approved the change request in writing.

2.5 The Provider may subcontract parts of the Services but remains responsible for the acts and omissions of its subcontractors as if they were its own.

3. Fees and payment

3.1 The Customer shall pay the Provider an annual subscription fee of GBP 480,000, invoiced annually in advance on the Effective Date and each anniversary of it.

3.2 The Customer shall pay a fixed one-time implementation fee of GBP 120,000, invoiced on the Effective Date.

3.3 Additional services approved under clause 2.4 are charged on a time-and-materials basis at GBP 165 per hour, unless a fixed price is agreed in the change request.

Fee type	Amount (GBP)	Invoicing
Annual subscription	480,000	Annually in advance
Implementation (one-time)	120,000	On Effective Date
Additional services	165 per hour	Monthly in arrears

3.4 Undisputed invoices shall be paid within 45 days of the invoice date. Overdue amounts bear interest at 4% per year above the Bank of England base rate from the due date until payment.

3.5 The Provider may increase the subscription fee on each renewal. Any increase shall not exceed the lower of 4% and the annual change in the UK Consumer Prices Index, and shall be notified at least 120 days before the renewal date.

3.6 All amounts are exclusive of VAT, which shall be added at the prevailing rate where applicable.

4. Service levels and support

4.1 The Provider shall make the Services available at least 99.9% of the time in each calendar month, excluding scheduled maintenance of up to 6 hours per month performed between 01:00 and 05:00 UK time on Sundays.

4.2 The Provider shall provide support by telephone and a ticketing portal. Support is available 24 hours a day for Priority 1 incidents and from 08:00 to 18:00 on Business Days for other incidents.

Priority	Definition	Response time
P1	Service unavailable or critical function failed	30 minutes
P2	Major function degraded, workaround exists	4 hours
P3	Minor issue or general question	2 Business Days

4.3 If monthly availability falls below 99.9%, the Customer is entitled to a Service Credit as follows:

Monthly availability	Service Credit
99.0% to below 99.9%	5%
95.0% to below 99.0%	15%
Below 95.0%	30%

4.4 Service Credits are the Customer's sole financial remedy for availability failures, but do not limit its right to terminate under clause 10.2 for persistent failure. The Customer must claim a Service Credit within 30 days of the end of the Affected Month.

4.5 The Provider shall deliver a monthly service report within 5 Business Days of month end.

5. Term and renewal

5.1 This Agreement begins on the Effective Date and continues for an initial term of 36 months (the 'Initial Term').

5.2 After the Initial Term the Agreement renews automatically for successive periods of 12 months unless either party gives the other at least 90 days' written notice of non-renewal before the end of the then-current term.

5.3 The Customer may terminate for convenience at any time after the first 18 months of the Initial Term by giving 6 months' written notice. In that case the Customer shall pay an early termination fee equal to 25% of the subscription fees that would have been payable for the remainder of the Initial Term.

5.4 Expiry or termination does not affect rights accrued before that date. Clauses that by their nature are intended to survive, including clauses 7, 8, 9 and 11, continue in force.

5.5 On expiry or termination the Provider shall, for 60 days, provide reasonable assistance to enable the Customer to migrate to another service, charged at the rate in clause 3.3.

6. Data protection and security

6.1 The parties shall comply with applicable data protection law, including the UK GDPR. For personal data in Customer Data, the Customer is the controller and the Provider is the processor. The Provider shall process personal data only on the Customer's documented instructions.

6.2 The Provider shall store Customer Data only within the United Kingdom or the European Economic Area and shall not transfer it elsewhere without the Customer's prior written consent.

6.3 The Provider shall maintain an information security management system certified to ISO 27001 and shall encrypt Customer Data at rest and in transit using industry-standard methods.

6.4 The Provider shall notify the Customer without undue delay and in any event within 48 hours after becoming aware of a personal data breach affecting Customer Data, and shall provide information reasonably required to meet reporting obligations.

6.5 The Provider may appoint sub-processors listed in Schedule 3 and shall give the Customer at least 30 days' notice of any new sub-processor. The Customer may object on reasonable data protection grounds.

6.6 The Customer may audit the Provider's compliance with this clause once in any 12-month period on 20 Business Days' notice, or at any time following a personal data breach.

7. Intellectual property and escrow

7.1 The Provider retains all intellectual property rights in the Services. The Customer retains all rights in Customer Data. Each party grants the other the limited licences needed to perform this Agreement.

7.2 The Provider shall defend the Customer against any third-party claim that the Services infringe intellectual property rights and shall pay damages and costs finally awarded, provided the Customer notifies the claim promptly and allows the Provider to control the defence.

7.3 Within 60 days of the Effective Date, the Provider shall deposit the source code of the Services, with build instructions, with Vaultline Escrow Ltd. Deposits shall be updated at least every six months.

7.4 The escrow materials shall be released to the Customer if the Provider becomes insolvent or ceases to support the Services, solely so the Customer may maintain its use of the Services for its internal business purposes.

7.5 The cost of the escrow arrangement shall be borne equally by the parties.

8. Confidentiality

8.1 Each party shall keep the other's Confidential Information confidential, use it only to perform or receive the Services, and not disclose it except to employees, advisers and subcontractors who need to know and are bound by equivalent obligations.

8.2 These obligations do not apply to information that is or becomes public other than through breach, was already known to the recipient, is independently developed, or is required to be disclosed by law or a regulator.

8.3 The obligations in this clause continue for 5 years after the end of this Agreement, except for trade secrets, which remain protected for as long as they qualify as trade secrets.

8.4 On request following termination, each party shall return or delete the other's Confidential Information, except for copies that must be retained by law or in routine back-ups, which remain subject to this clause.

9. Liability and insurance

9.1 Nothing in this Agreement limits liability for death or personal injury caused by negligence, for fraud or fraudulent misrepresentation, or for any liability that cannot lawfully be limited.

9.2 Subject to clause 9.1, each party's total aggregate liability arising under or in connection with this Agreement in any contract year shall not exceed 125% of the Fees paid or payable in the 12 months preceding the event giving rise to the claim.

9.3 Subject to clause 9.1, neither party is liable for loss of profit, loss of revenue, loss of goodwill or any indirect or consequential loss. The liability cap in clause 9.2 does not apply to the Customer's obligation to pay Fees.

9.4 The Provider shall maintain professional indemnity insurance of at least GBP 5 million per claim and cyber liability insurance of at least GBP 10 million in the aggregate throughout the term, and shall provide certificates on request.

9.5 Each party shall take reasonable steps to mitigate any loss for which it intends to claim against the other.

10. Termination and general provisions

10.1 Either party may terminate this Agreement immediately by written notice if the other commits a material breach that is not remedied within 30 days of notice requiring it, or if the other becomes insolvent.

10.2 The Customer may terminate without early termination fee if availability falls below 99.0% in any three months of a rolling six-month period.

10.3 **Notices.** Notices shall be in writing and sent by hand or recorded delivery to the address above, marked for the attention of the General Counsel of the receiving party, with a copy by email.

10.4 **Entire agreement.** This Agreement and its Schedules constitute the entire agreement between the parties and supersede prior discussions. Amendments must be in writing and signed by both parties.

10.5 **Force majeure.** Neither party is liable for delay caused by events beyond its reasonable control, provided it notifies the other promptly. If such an event continues for more than 60 days, either party may terminate on written notice.

11.1 **Governing law.** This Agreement and any dispute arising from it are governed by the laws of England and Wales, and the courts of London have exclusive jurisdiction.
